Support for the Underground Utilities Project

The Hillcrest Bay Homeowner Association Board of Directors passed a resolution at our board meeting on February 17, 2008. The resolution, in principle, will consider helping those homeowners claiming low income or hardship, with monies as available, to offset all or a portion of their costs related to our underground utility project. Once this project is approved by the Arizona Corporation Commission a committee will be formed to identify eligible homeowners and implement this resolution.

The completion of this underground utility project will be a major improvement for Hillcrest Bay, the County and the State of Arizona.

Sincerely,

Grace D. Babcock
President, Hillcrest Bay Association
